The Hon. George G. Steketee Nominated

IN CONVENTION LAST NIGHT

For State Senator From the City District. Frank Rodgers Elected Chairman of the Senatorial Committee.

"For candidate for senstor in the state legislature from the sixteenth senatorial district, the Hon. George G. Steketee," said the republican senatorial convention last night.

It was a brief and harmonious convention, the business having been transacted with enthusiasm and confidence. It was called to order in the Lincoln Republican club rooms on Pearl street by Chairman Sellers of the county committee, who invited the delegates present to occupy front seats in the half. There was also a large crowd of spectators present who evinced much interest in the deliberations. The call was read by Secretary Bunnell of the county committee. E. D. Conger was called to breade.

Committees Appointed, He assumed his position by briefly thanking the convention for the honor. Anthony L. Bouterse was chosen sec-The chairman appointed the following committees by instruction of the convention:

Committee on Permanent Organization-The Hon. C. W. Watkins, David Forbes and P. C. Campbell.

The convention took a recess to give the committee time to make their reports. When the convention was again called to order the communities on credentials reported a list of delegates entitled to seats in the convention. The report was adopted as read.
There were a few vacancies in the

ward representations and on motion of Freeman Lathrop the delegates present were given power to cast the full vote of their respective wards. The Hon. C. W. Watkins and Dr. J. B. Griswold were appointed tellers.

Nominations Called For, On motion the roll of wards was then called for the nomination of a candi-date for state senator. The delegates remained sient until the seventh ward was called, when Arthur Callighan arose and nominated J. M. Jamieson. The call then proceeded, and when the noth ward was called Frank Rodgers made an eloquent appeal to the convention to nominate a business man who can come before the people of this city with confidence, a man who can go into the factories and poll the people's party vote. He closed by pre-senting the name of the Hon. George G. Steketee. The nomination of Mr. Stegette was supported by Paul Mar-ris of the sixth ward. The Hon. C. W. Watkins congratulated the convention on being permitted to listen to two good republican speeches. He said this city has a large number of young re-publicans who will cast their first vote at the coming election, and he would present the name of a popular young republican. He presented the name of Elvin Swarthout. Freeman Lathrop of the twelfth ward gave a biographical sketch of the career of n he was about to present to the convention. He was a man who had worked his way through the world with energy, and was in sympathy with the laboring classes.

Mr. Stekettee Nominated, Mr. Lathrop closed his speech to the convention by supporting the nomina-tion of J. M. Jamieson. On motion an informal ballot was then taken for a candidate, which resulted as follows: Whole number of votes cast 30, of which Stekettee received 12, Swart-hout 6 and Jamieson 12. There being no choice a second ballot was taken with the following result: Whole number of votes, 29; Stekettee received 15, Jamieson 11 and Swartout 3. On motion of the Hon. C. W. Watkins, George G. Steketce was made the unanimous nominee of the convention

amid cheers. The Hon. C. W. Watkins moved that the member of the regular city com-mitted residing in the wards included in the sixteenth senatorial district comprise the senatorial committee. The motion was carried and on motion of Thomas Walsh, Frank A. Rodgers was elected chairman of such committee. The convention then adjourned.

ELEVENTH WARD REPUBLICANS.

They Held an Enthusiastic Meeting Last Night.

There was a good attendance in White's hall, corner Madison avenue and Hall street, last evening, it being the regular meeting night of the Eleventh Ward Republican club. The ex-scutive committee recommended that the night of meeting be changed from Friday to Wednesday. The reason for this is that a new longe of Odd Fellows has just been organized in Oakdale Park, which meets on Friday night and prevents its members from attending the club meetings. The club adopted the recommendation of the committee. The executive committee also recommended that a marching club be formed. The report was adopted and a club will be organized at the meeting next Wednesday. P. S. Averill was elected second vice presi-

dent to fill a vacancy.

A short recess was taken, and on reassembling an hour was speut in listening to remarks from some of the members and to the reading of several papers on republican themes. At the next meeting Wednesday evening there be a large attendance, and good speakers will be in attendance. R. C. Sessions made a short speech before the club. He said there was no

NOMINATED McQUEEN.

N. T. Young Resigns and McQueen Leads the Populist Ticket.

John McQueen, the democratic candidate for sheriff, has finally been endorsed by the people's party in spite of the fact that the county convention had him out. Last night N. T. Young, the nominee, sent his resignation to the county committee as follows:

To the Chairman and Executive Committee of the People's Party of Kent

County:

Owing to circumstances of a nature which it is needless for me to state, I find after due deliber-ation that it will be impossible for me to allow my name to be held on the ticket as a candidate for the office of sheriff. I therefore hereby tender my resignation as such and recommend that the committee fill the place by appointing some one that is worthy of the confidence of the voters, as I would consider myself to have been had it been possible for me to have continued my name on the ticket.

Yours respectfully,
N. T. Young.
The resignation was accepted by the county committee, and by an almost unanimous vote of the committee it was decided to place John McQueen, the democratic nominee for sheriff, at the head of the people's party ticket.
